## This study guide is for Session 6: Rediscovering Evangelism

### Session 6: Continuum - Transformation

1. In The Prayers of the People, one of the prayers is, "For all those who proclaim the Gospel at home and abroad; and for all who teach and disciple others." (BCP2019, 128) If or when you've prayed that in the past, be honest, were you praying for someone else rather than yourself? What do you think about seeing yourself as one "who proclaims the Gospel at home, and discipled others"?
2. What are some ways you have personally discipled, or seen others disciple, a new believer in Jesus effectively?
3. Brainstorm some ideas about how you might walk with someone as they are transformed in Christ in the following areas (remember, in brainstorming there are not "dumb" ideas!):
  - Being Loved by God...
  - Belonging to God's family...
  - Becoming like Christ through knowing his Word...
  - Be Serving in ministry...
  - Be Sharing Christ with others...
4. To your knowledge, does your church have a clear process or system for new believers to become mature disciples, that you could help bring someone you personally bring to Christ through? If so, describe it. If not, what could you do to help your church develop such a pathway/process?

### Wrap up Questions:

Read Luke 15:1-7. According to this passage, how important is even one sinner repenting and being saved to the Father? Now, as you conclude this series, hopefully you feel better about personal evangelism than you did when you started. However, you likely still have some fear and anxiety about it. Knowing that even one person being saved brings that much joy to God, would you commit to reaching at least one? Not saying you can't go for more, but don't think that even one isn't worth your effort. It is!

Closing prayer (together): *Lord, please help us to be strong and of good courage, to not be afraid of doing evangelism, knowing that you are with us wherever we go. God please help us bring you much joy by helping to lead even one more person to salvation through Jesus. In His Name we pray. Amen.*

### Practicum:

Go and make disciples!
